at Promenade

Where dreams come alive

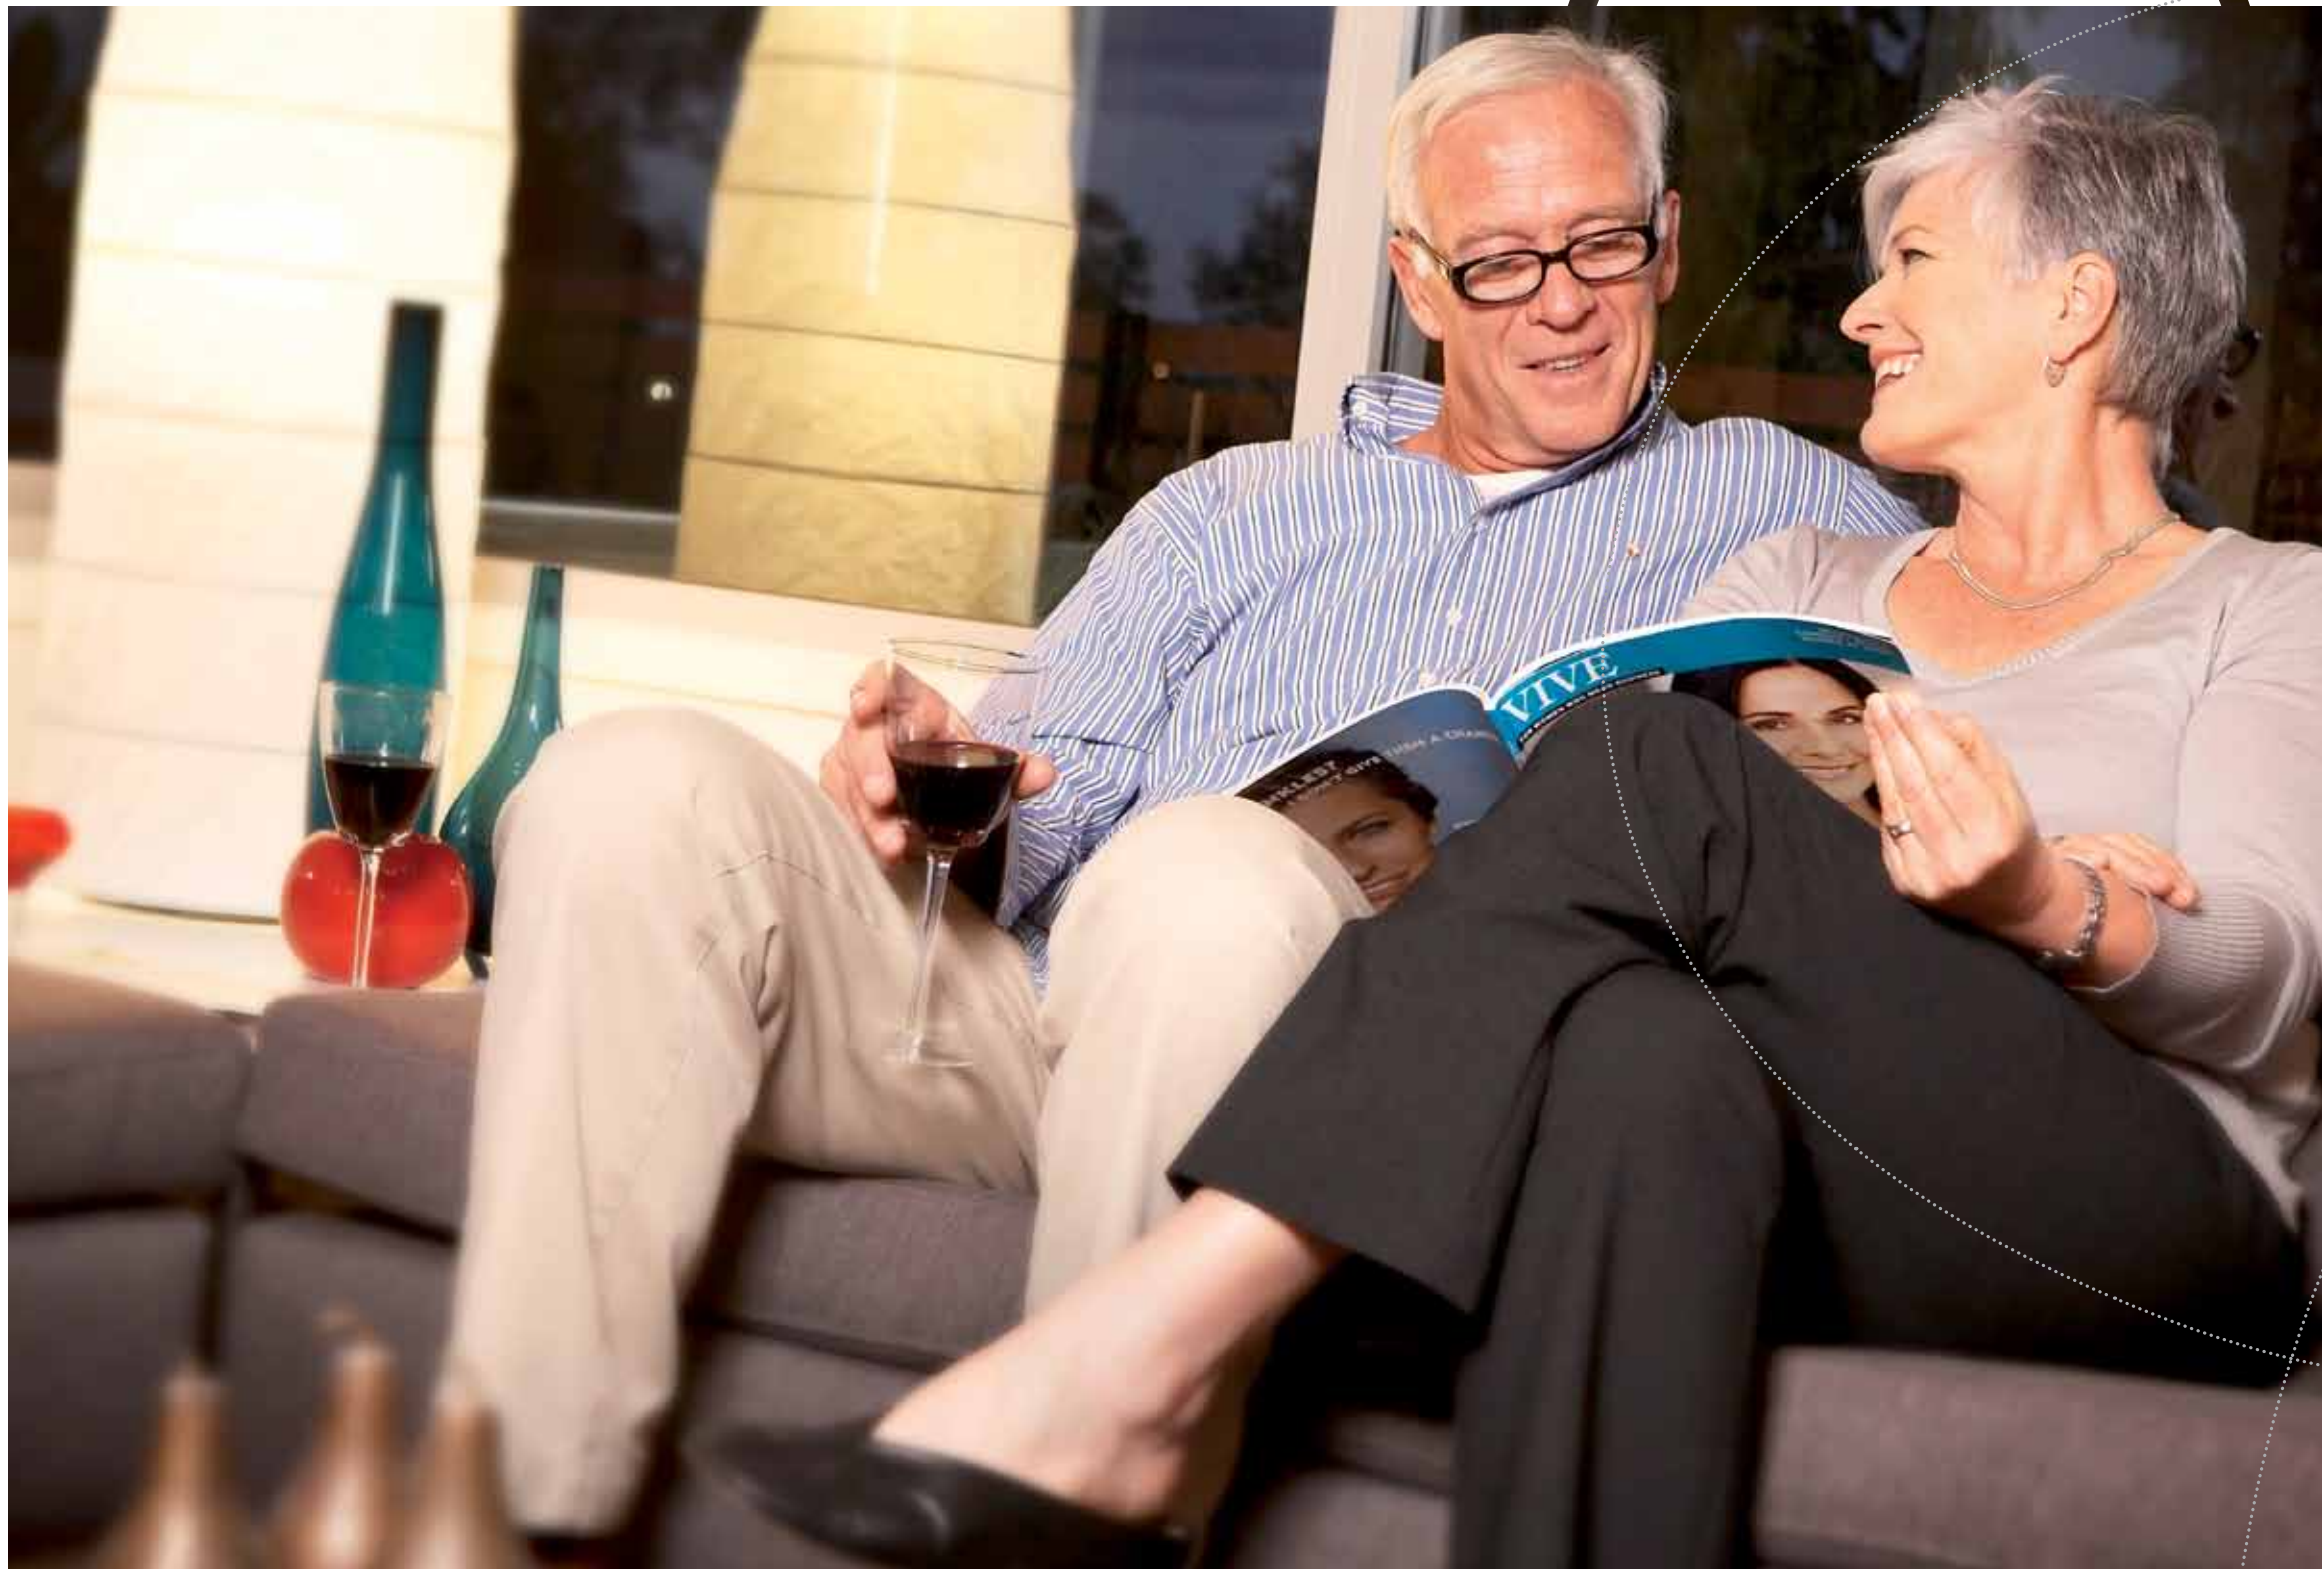

Nestled within The Promenade, Waterside is an address offering a contemporary lifestyle by the water. Access to modern conveniences, a picturesque lake, recreational parklands – this unique address has it all. Whether it's with the great outdoors, friends and family, or even with your inner-self, Waterside lets you feel truly connected.

Where you'll love to live

Upon arrival, you'll instantly be greeted by picturesque views of Waterside's namesake – the beautiful sparkling Regatta Lake. The glistening water not only creates a tranquil atmosphere, it puts recreation on your doorstep. You can paddle a canoe, kayak or get active on the hike and bike trails that connect Waterside to The Promenade Walk and The Promenade Falls. Or you can just take some time to relax and unwind in Waterside Lounge, the address' unique outdoor leisure space.

Where everything is close

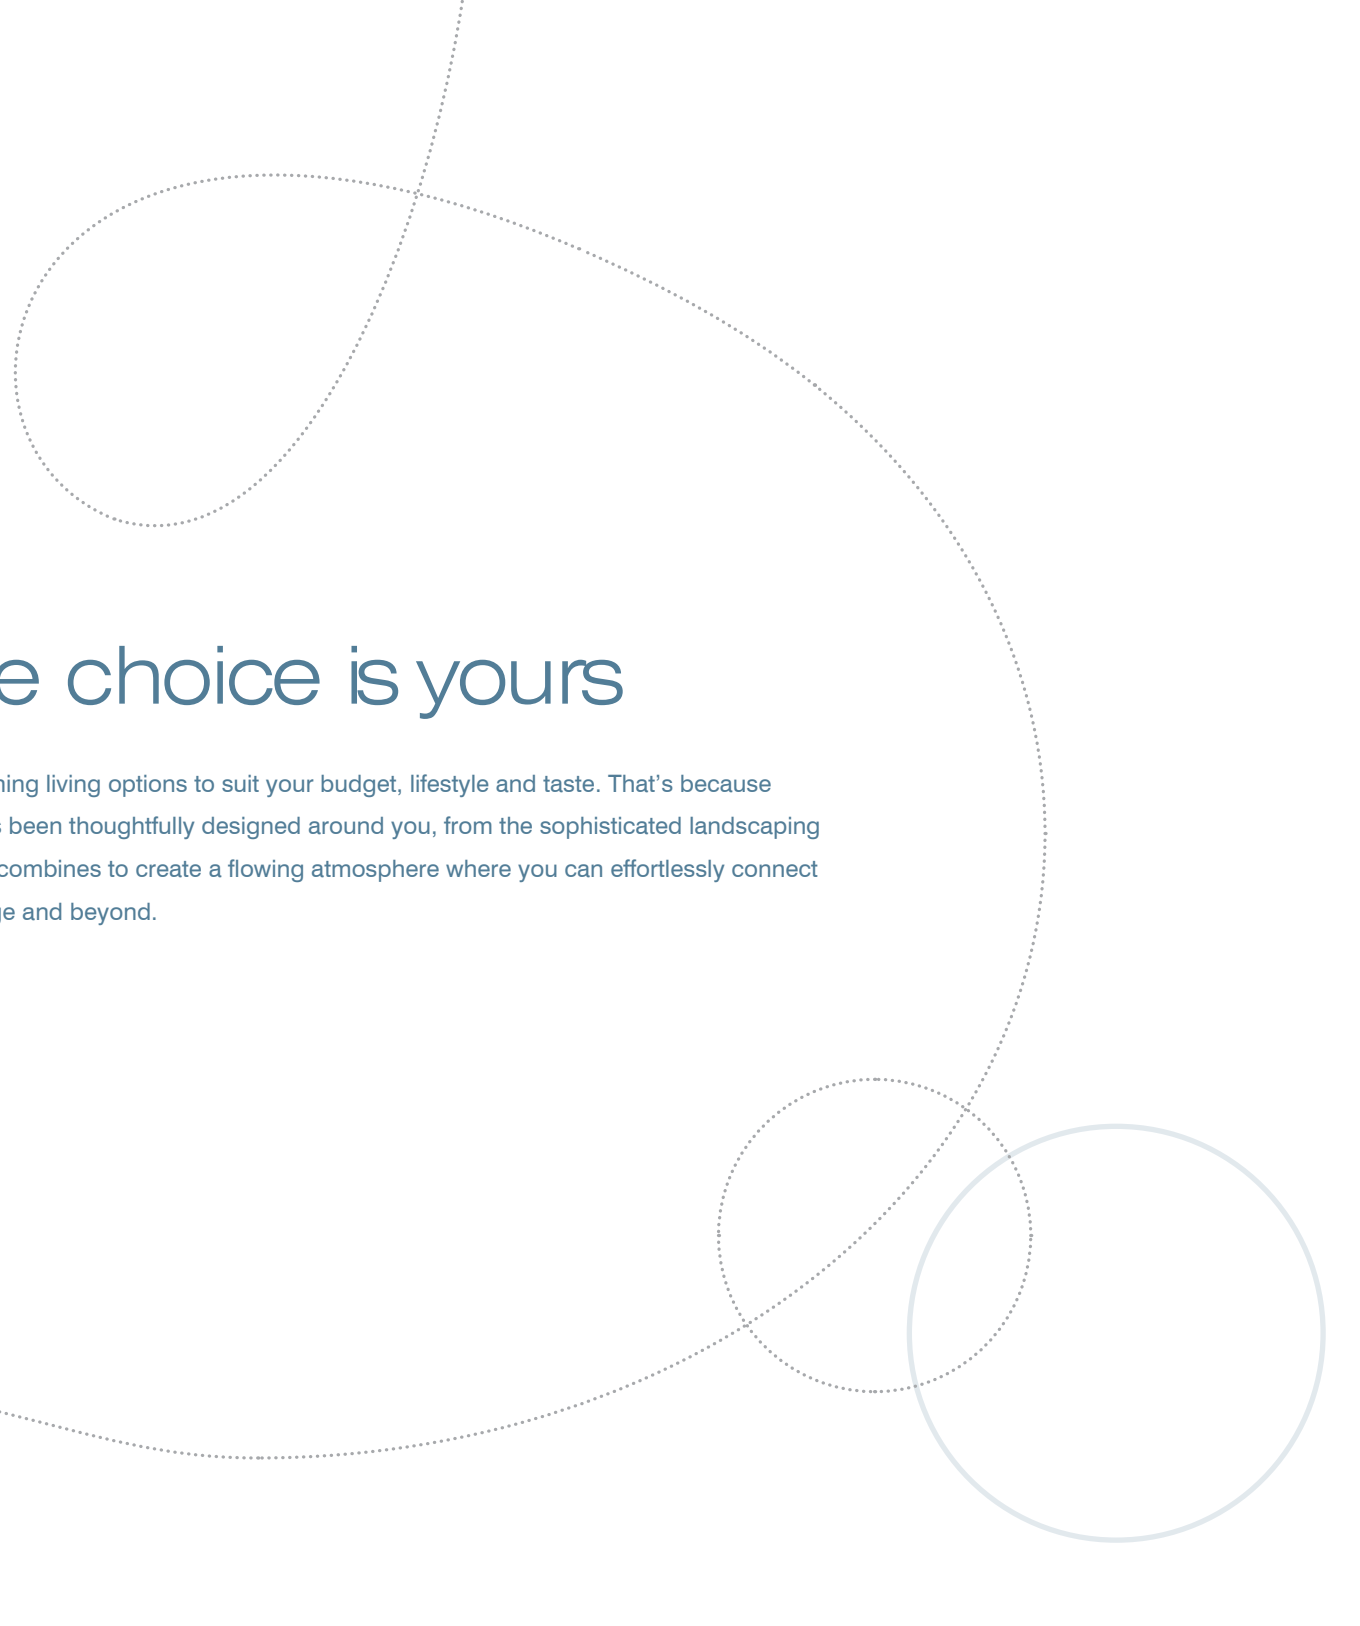

Waterside's air of quiet seclusion makes it hard to believe that a range of facilities exist nearby. With the shopping and dining of Springfield Central and Springfield Lakes just a short stroll away, this one of a kind address provides modern and convenient living at its finest.

Where the choice is yours

Waterside boasts a range of stunning living options to suit your budget, lifestyle and taste. That's because everything about this address has been thoughtfully designed around you, from the sophisticated landscaping to the stunning architecture. It all combines to create a flowing atmosphere where you can effortlessly connect to Regatta Lake, Waterside Lounge and beyond.

Location Map

Everything you could ever need will be right on your doorstep at Waterside. Shopping and dining is just minutes away, making it effortless to catch up with friends, find a new outfit or just grab the weekly groceries. Meanwhile, Regatta and Discovery Lakes, recreational parklands and The Promenade Walk and Falls make it easy to get active or just take some time out for yourself. It's a truly well-connected lifestyle where life flows.
